

# Dr. Deann Butler

[www.drdeann.com](http://www.drdeann.com)

Dr. Deann Butler lives at the intersection of passion and purpose. She is a learning professional, podcast host, and CEO of a healthcare consulting business with 15 years of experience and multiple degrees. Her passion is to educate professionals on the impact of racism on healthcare. Her purpose is to amplify the voices of women and people of color. She has presented to organizations such as Planned Parenthood, Humana Ins., Cityblock Health, Eleanor Health, and MPR Summit. She combines her work, education, and lived experience to transform her audience and move them to action.

*Amplify. Your Voice. Now.*

**Dr. Butler delivers impactful trainings and keynotes that push the audience to get things done.**

- ✓ Guaranteed audience transformation
- ✓ Professional development with impact
- ✓ Building knowledge while producing results

**BECOMING THE CONSULTING CONNECT**

**LETS GET R.E.A.L. ADDRESSING STRUCTURAL RACISM WITH ACTION**

**LANGUAGE MATTERS: DEVELOPING A BETTER UNDERSTAND OF THE LEVELS OF RACISM IN HEALTHCARE**

We loved your presentation and learned so much about consulting. Bringing incredible Black Women together is our passion and we are happy you were part of the conversation. Thank you for your flexibility during the MPR Summit.  
**Cassandra, TRUE Board Member  
MPR Digital Summit**

A very belated thank you, Deann! Really appreciate the work you did to create much-needed training for the team.  
**Molly Wojno/Galileo Health**

Deann is a valuable asset. She fosters an atmosphere and culture of ongoing professional development...A good communicator with a positive attitude.

**Ari Rosner, Head of Social Care  
Cityblock Health**

**Lets Get To Work**
